EM 4102 Card

EM 4102 (2402 Tag)

EM 4102 Sail

HID Prox Keyfob

HID Prox Card

Idesco offers a wide range of 125 kHz tags and cards. Typical applications for these products include access control, time and attendance and asset marking. These products are available as a pvc card, as an epoxy laminated coin tag and as a polycarbonate Sailtag keyring. All these tag types are suitable for indoor and outdoor use. The card type has good printability with thermal transfer and thermal sublimation printers. The coin tag is easy to fix in a convenient leather key ring which are also offered by Idesco. The Sailtag keyring is very robust and convenient and it is available in black and blue.
